STRATEGIC GIVING WITH THE COMMUNITY INVESTMENT TAX CREDIT

In 2017 CAN-DO and Metro West CD became affiliated organization and now share a joint Board and Executive Director. Metro West CD is a recipient of Community Investment Tax Credits (CITC), which creates an opportunity for you to invest in affordable housing in a powerful & strategic way. Each \$1,000 you donate can provide you with a \$500 tax credit from Massachusetts as well as the standard federal tax charitable contribution deduction. Individuals, corporations, & nonprofits can all invest in these credits. That's 50% of your donation returning to you, and 100% toward affordable housing creation & preservation!

Table showing tax credit breakdown: Ex. Donation \$1,000, Tax Credit (CITC) \$500, Federal tax deduction \$175, Final out of pocket donation \$325

If you would like to participate in the Community Investment Tax Credits, donations will be split 50/50 between Metro West CD & CAN-DO. Otherwise, 100% of all sponsorships will go towards CAN-DO.
